

It's time for a Valentine's
treasure hunt are you up
for finding clues?
Your first one is hidden where
you'd sit to watch the news.

I knew you'd find the first one
you're so smart & oh so bright.
Now off to find the next one
by a thing you use to write.

You make the world
a much better place.
Another clue is where
you'd see your beautiful face.

I'm so very grateful
for everything you do.
If you look inside the fridge
a clue is waiting for you.

Happy Valentine's Day
you light up my life.
The clue your looking for
is near a butter knife.

Roses are red.
Violets are blue.
I know by the hamper
you'll find another clue.

You make my heart happy
just being with you.
Your sock drawer is where
you'll find the next clue.

Your heart is so kind
and loving and sweet.
The next clue is *under*
the spot you sit to eat.

**You're a strong leader, you're
bound to do great things.
Time to go to the spot you'd
go when the doorbell rings.**

**I love you to
the moon and back.
Your hint is a spot
you'd keep an ice pack.**

**This Valentine's hunt is fun,
hold on we're not done yet.
It's time to find a clue
where a towel hangs up wet.**

**You brighten up my day
with that wonderful
smile of yours.
Find the next clue with the item
used to clean floors.**

**You're courageous and strong I
just love that about you.
If you can find the remote you
might just find the next clue.**

**You're an incredible person I
just love you so very much.
This next thing cooks food hot
so careful before you touch.**

**You're artistic and creative and
the ideas you have are great.
Find your next clue
where we keep a bowl or plate.**

**You're a thoughtful person and
it shows how much you care.
Your next clue is what you use
to untangle your hair.**

**I admire your determination and
how you never give up.
You'll find another clue
where you put a dirty cup.**

**Once you find a few more clues
your hard work will soon pay off.
This next thing your nose uses
when you've got the sniffles
and a cough.**

**You make me so proud of
all your accomplishments
thus far.
Now think of the item that's
used to start a car.**

**There's no one else like you.
You're one of a kind.
If your closet is messy
the next clue
might be tough to find.**

**I knew you could do it.
You're a superstar that's right.
What is the thing you touch
to turn off the kitchen light?**

**You're amazing, you're awesome
you're simply the best.
Time to unload the dishwasher,
might I suggest.**

**You are funny and playful and
always making me laugh.
Your next clue hangs up where
you'd find a photograph.**

**You've followed the clues
now isn't that neat?
Go look on your bed
for your Valentine's Day treat!**
