

HAPPY MOTHER'S DAY

Love,

You feed me, bathe me,
and, brush my hair.

Each day I grow
because of your
love and care.

As I keep growing,
I'll learn to do
these things.

So when the time comes,
I'll be ready
to spread my wings.

Even though I won't always

need your help
or be this small,

I'll forever

need your love,

even when I'm big and tall.

So, keep this as a reminder
for when I am all grown.

I am who I am

because of YOU

and all the

love you've shown.

Love,

HAPPY MOTHER'S DAY

Love,

This year for
Mother's Day,
I made a special
flower for you,
because I am
so thankful
for everything
you do.

This flowers is
my handprint
to freeze this
moment in time

because it won't
be forever
that they'll leave
my dirt & grime.
So when I get older
and grow up
big and tall,
just pull this
keepsake out
to remember
when I was small.

Love,

HAPPY MOTHER'S DAY

Love,

You teach me,
hold me,
and give me
love and care.
You feed me,
bathe me,
and brush my hair.
All of these
little things

you do patiently
for me.

I know your
love is helping
me grow, into
who one day
I will be.

Love,
