

Oh no! The Grinch took the gifts
and ran out of sight.
Now Christmas in Whoville
just won't feel right!
The Whos need your help
to get their things back.
So follow the clues and stay on his track!
To start your hunt, here's where you begin.
Look where you take your shoes off
when you first come in!

The Whos all loved Christmas,
they loved it a lot.
But the Grinch up on Mount Crumpit
most certainly did not!
That's why we're in this dilemma today.
Now look where you brush
your teeth twice a day!

The Grinch hated Christmas,
or so they all say.
Because his heart was too small,
so he grumbled all day!
He left another clue
so don't wander away.
Look where the books
are lined up on display!

The Grinch looked down from his cave at the town.
He hated their cheer and gave a big frown.
He'd do anything to stop their Christmas fun.
And make sure Christmas never would come!
Here in your house he stopped for a drink.
Look where he left his cup, right near the sink!

The Grinch hated the Whos' feast,
with Who pudding and roast beast!
Where would the Whos
put their food away?
Check the fridge to find
another clue today!

Even more than the feast,
the Grinch hated their singing.
The Whos Christmas songs
made his ears start ringing.
To find the next clue, look all around.
Find what you wear
on your ears to hear sound!

The Grinch came up with an awful plan,
to steal Christmas from Whoville,
as fast as he can!
He dressed up as Santa
with a red suit and sack,
and dressed his dog Max as a reindeer
to help haul it all back!
To find the next clue, go take a quick peek,
where dirty clothes go
for a wash every week!

While all of the Whos
were fast asleep in their beds,
the Grinch and Max crept out,
with mischief in their heads!
They headed to Whoville
to carry out their plan,
to steal all the Whos' Christmas things
as fast as they can!
Another clue must be hiding
it can't be too far.
Go check the item that unlocks a car.

The Grinch began stealing
all the presents, stockings and more.
He left the Whos with nothing,
not even a crumb on the floor.
The Grinch also left a clue,
so don't move too slow.
Look where you watch movies
and your favorite TV show!

Cindy Lou woke up
while the Grinch stole her tree.
She asked him, "Why?"
as surprised as could be!
He sent her back to bed,
then snuck away in the night.
Look where you go
to turn off the kitchen light!

The Grinch loaded the Whos' trees
and wreaths on his sled.
With gifts, ribbons, and bows
piled high overhead!
He thought of the Whos
and how sad they would be,
when they woke up to find
no gifts under the tree!
You're running out of time
so hurry on ahead.
Your next clue is waiting
where you rest your head!

YOU DID IT! HOORAY! YOU SAVED CHRISTMAS DAY!
You followed the Grinch and helped out the Whos.
You searched high & low in your hunt for clues!
The Grinch saw your kindness and started to know,
that Christmas is about the love that we show!
It's about kindness & love & spreading good cheer,
and making the ones that you love feel dear.
So, he returned all the gifts, making Christmas just right.
And his heart grew three sizes & he filled with delight!
He left you this heart and a gift just for you.
To thank you for all the kind things that you do.
Merry Christmas, dear friend, you helped save the day.
Now Christmas cheer is back in Whoville to stay!
